Supplier Diversity Program Policy Statement

Youth Service, Inc. is a private nonprofit child welfare agency with a deep commitment to Diversity. As such, a major responsibility of our Chief Financial Officer (CFO) is to oversee and maintain compliance of our Supplier Diversity program. The program actively seeks out suppliers who are Small Businesses capable of meeting our needs in support of our efforts to provide needed social services to clients. The synergy this creates flows to benefit the entire community. It is expected that all employees of Youth Service, Inc. fully support the Supplier Diversity Program.

In order to achieve our mission to provide clients with the best social services, Youth Service, Inc. requires a responsive and cost effective supply network. Small business vendors, including disadvantaged owned businesses, minority-owned business, women-owned businesses, and disabled-owned businesses, are a vital part of fulfilling that mission and our commitment to support our communities. Our success is measured by our ability to create value for all of our stakeholders – small business suppliers, clients and employees of Youth Service, Inc.
